ELCO Ordo / ELCO Ordo classico

The ELCO Ordo products convince not just through their quality but because they also fulfil all the requirements expected of modern office communication today. Thus folders can be individually written on – by hand or with an inkjet printer.

ELCO Ordo classico

The ELCO Ordo classico window folders made of paper represent the ideal tool everywhere where documents need to be collected, sorted and filed because they can both be printed (inkjet) and written on. They are available with printed rules or plain.

ELCO Ordo discreta

The folder without a window.

ELCO Ordo transport

The ELCO Ordo transport folder made of paper with an extra large window. It is particularly suitable for holding shipping documents.

ELCO Ordo forte

As a cardboard folder with gussets (35 mm) and extra large capacity, ELCO Ordo forte is the ideal folder to collect and protect your documents and is particularly suitable for archiving and long-term use.

ELCO Ordo trasparente

The ELCO Ordo trasparente folders are made of transparent, tear-proof paper. Their transparent paper covers allow you to see their contents clearly, which means that they can be used like transparent plastic folders.

ELCO Ordo folders are available in the successful versions ELCO Ordo classico, ELCO Ordo discreta, ELCO Ordo transport, ELCO Ordo forte and ELCO Ordo trasparente and thus leave nothing more to be desired.

A colour code helps to retain an overview:

- various colours
- with or without printing on the outside
- with or without window
- with or without gusset
- transparent paper

I prodotti ELCO Ordo convincono per la qualità e soddisfano anche tutte l'esigenze della moderna comunicazione per ufficio. Su ogni singola cartellina si possono per esempio apporre etichette scritte a mano o con stampante a getto d'inchiostro.

ELCO Ordo classico

Le cartelline ELCO Ordo classico in carta con finestra sono gli ideali strumenti di lavoro ovunque si debbano raccogliere, classificare e conservare dei documenti: vi si possono infatti apporre etichette scritte a mano o con stampante a getto d'inchiostro. Possono essere rigate o meno.

ELCO Ordo discreta

Le cartelline senza finestra.

ELCO Ordo transport

Le cartelline ELCO Ordo transport in carta con finestra grande. Particolarmente adatte per i documenti di spedizione.

ELCO Ordo forte

Cartelline in cartoncino con soffiotti (35mm) e grande capienza, le ELCO Ordo forte raccolgono e proteggono in modo ideale i vostri documenti e si addicono particolarmente all'archiviazione e all'utilizzo a lungo termine.

ELCO Ordo trasparente

Le cartelline ELCO Ordo trasparente sono in carta trasparente non lacerabile: la carta trasparente lascia vedere il contenuto per cui possono essere utilizzate come cartelline in plastica trasparenti.

I prodotti ELCO Ordo sono disponibili nelle versioni ELCO Ordo classico, ELCO Ordo discreta, ELCO Ordo transport, ELCO Ordo forte ed ELCO Ordo trasparente – per soddisfare ogni vostra esigenza.
